

SAN LUIS WATER DISTRICT
POOL 1
2025 NON-RESCHEDULABLE
Supplemental Water Application
Closing Date-June 10, 2025

This application is to request NON-RESCHEDULABLE Supplemental Water for the 2025 Water Year (water must be used by February 28, 2026). The Supplemental Water program is administered in accordance with the District's Rule No. 11, which is available upon request. Following are some key elements applicable to every Application:

1. Applications must include a quantity, account number, signature, and be accompanied by a \$20 per acre-foot of request deposit.
2. If the District is unable to acquire the entire requested quantity of Supplemental Water, the supply will be allocated on a pro-rata base, based on acreage owned and/or leased by the applicant.
3. Upon written request, this Application may be modified or revoked. The deposit associated with a withdrawn Application will be returned at the end of the water year providing the District has not yet taken action to acquire water in reliance upon the application. Once the District has taken action to secure water in reliance on applications, applicants are obligated to purchase the Supplemental Water unless the District or Applicant can find another buyer.
4. Once the water has been acquired, the District will invoice the applicant for the final cost and payment will be due within 30 days. If payment is not received by the due date, there will be a 5% penalty plus interest charged.
5. Upon Board approval, a portion of the cost may include an amount for the Supplemental Water Development Charge Policy No. 3003 which is available upon request.
6. This water will be immediately available and will be invoiced with a due date of July 10, 2025.
7. **All remaining 2025 Pool 1 Supplemental Water remaining on a landowners account after February 28, 2026, will be lost.**

I hereby request the quantity of NON-RESCHEDULABLE Supplemental Water at the price specified below. I have read and understand the provisions set-forth in this Application. I recognize that the price stated below is an estimate and I am willing to pay for the acquisition of Supplemental Water based on its actual cost which may be higher or lower than the amount listed below, and this price does not include any applicable charges for conveyance, operation, and maintenance (O&M), or administration. I am familiar with the District's By-laws, Rules & Regulations, and Policies which may be amended or supplemented from time to time by the District's Board of Directors. At all times, and as a condition to the availability of Supplemental Water to me from the District, I agree to be bound by and comply with the District's By-laws, Rules & Regulations, and Policies as they may be amended or supplemented from time to time.
